Easter Egg Hunt Game

This Easter we have a special new project to look forward to: Easter Egg Hunt Game, which we will make ourselves. The main characters are cute little pompom bunnies, in the colour of your choice & lots of jumping clay colourful eggs. Can you guess what the game is all about?

All the game parts will fit in a box to help you keep them all safe, complete with printed instructions on how to play the game.

We will also make this project's badge for your collection.

Art & Craft Club will take place on **Tuesdays after school** until **16:45** for **7 weeks** from **25th February** until **8th April 2024**. It is suitable for **year 1-4** children.

The cost of this project is **£55** and it includes all the materials. Please book your place via your school booking system.

Please feel free to give your child a small healthy snack to bring to eat at the start of our club sessions (no nuts please).

If you have any questions about this project, please complete the form using this QR code:
